Museum Park Mission:

- Establishing the Museum District as a top cultural destination with a strong sense of neighborhood identity.
- Collaborating strategically with all entities in Museum Park to develop a beautiful and recognizable premier cultural, educational, and mixed-use district that is the most pedestrian friendly district in the City of Houston.
- Furthering education through beneficial use of public lands and natural resources in collaboration with the City, State, and cultural institutions.
- Improving health and health education through development of a measurably transformed and healthier urban environment using infrastructure and landscaping, a living laboratory that can be easily implemented in other settings.
- Promotion of safety, security, and well-being within the Neighborhood.
